ATTENTION:

Gentlemen:

This will acknowledge receipt of your letter of 18 February 1959 requesting that consideration be given to the cost overrun of incurred in the performance of Contract No. TA-3034 by reason of overhead and G&A rate adjustments.

Your request has been given careful consideration by both the Project Engineer and the undersigned; however, it is found that in view of the specific monetary limitation applicable to this contract no authority exists under which the contract can be amended to provide reimbursement for the overrun.

Very truly yours,
